PREMIER BROADCASTING NETWORK

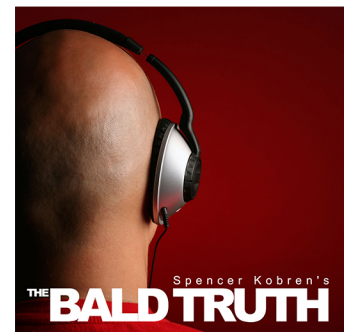

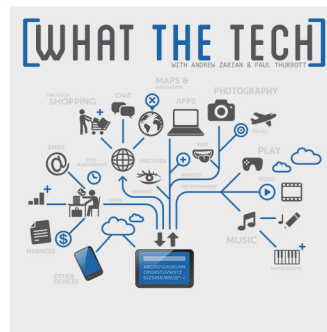

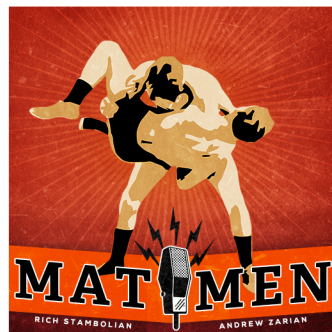

GFQNETWORK.COM

The Guys from Queens Network Inc (GFQ Network) is one of the leading producers of "talk-radio" style Internet programming. Each of GFQ's shows are produced live within their Queens, New York headquarters, and consists of numerous long-running programs hosted by a plethora of amazing talent, all under one roof.

GFQ was founded and created by Andrew Zarian in April 2009 as a one man operation. In the years following; The GFQ Network has expanded considerably. Currently, GFQ has a rock solid creative team of people that contributes greatly to each broadcast. Each show can be seen live on GFQlive.tv and can be downloaded as an Audio/Video podcast from the GFQ Network website.

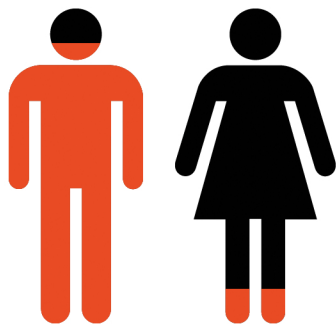

Our passionate and creative team of hosts are made up of a wide range of authors, comedians, futurists, technologist, and professional broadcasters who deliver high quality programming each day. GFQ covers everything including news, pop-culture, technology, opinion, and entertainment on a daily basis.
